Detached house for sale in Alto Palancia, Sagunto/Sagunt, Valencia

Great property on the outskirts of Sagunto, located in the old town of Teruel in a privileged environment. Surrounded by beautiful similar houses and lots of nature. The plot is accessed through a wide entrance where we will find part of the garden and plot with fruit trees. On the other side of the plot, we have the swimming pool and a flat space ideal for sunbathing. Later on a small garden to plant whatever we want. When we enter the house we find the dining room, full bathroom, kitchen, three comfortable bedrooms and fantastic viewpoint where you can enjoy the impressive panoramic view of the mountains. On the lower floor there is a large living room that could be the garage, it also has a kitchen, a small room and a toilet. It is located about 30 km from Valencia and 5 km from the centre of Sagunto, with excellent road communication to both towns. The city of Sagunto, with around 60,000 inhabitants, is the capital of Camp de Morvedre and has all the necessary services: health, cultural, commercial or beaches. The location is privileged as it is located between mountains and very close to the sea. If this property meets all the criteria of your search, do not hesitate to
